

Fresh Catch!

The Purple Carrot Market and Alaska Wild Fish Company are teaming up to offer our owners this season's catch of delicious fish and seafood. Operated by the Pietron family from Cushing, Alaska Wild Fish Company annually fishes the waters of Bristol Bay in the Bering Sea for salmon. They just returned in mid-August and now are offering Purple Carrot owners the opportunity to purchase in case quantities and save money on their very freshest fish. Pietrons also hand harvest Minnesota wild rice so add some to your order to serve with your fish!
